Privacy Policy Statement

Southeast Acquirers Association, Inc. (SEAA), is a Corporation organized in the State of Missouri and recognized as a 501(c)(6) not-for-profit trade association. SEAA’s principle place of business is 3595 Rider Trail South, Earth City, Missouri.

SEAA is committed to properly using the limited personal data we collect from our annual participants. SEAA selects third-party vendors that share our commitment to the protection of your personal data.

What Information is Collected:

SEAA collects a limited amount of personal data from our registration software vendor. This information is limited to the contact and demographic information provided during registration, including your name, company name, business title, company address, telephone number and email. SEAA does not collect personal information related to the payment of registration fees, only confirmation and general method of payment.

How is the Information Used:

SEAA uses this information to provide you with information about the SEAA Annual Seminar, including dates, times, agenda, events and future seminars. Every email communication sent by SEAA provides the recipient with the option to opt-out of future communication. You may also opt-out at any time by contacting SEAA at info@southeastacquirers.com.

Is the Information Shared:

SEAA does share your business contact information, including email, business address and telephone number, with the Exhibitors and Sponsors present at the show you attend. SEAA asks all Exhibitors receiving this information to commit to the protection of the data, and allow any person to opt-out of future communication from that Exhibitor. If you feel any Exhibitor has not respected this policy, please contact SEAA at info@southeastacquirers.com.
Is the Information Sold:

SEAA will never sell your contact information. SEAA does not share your personal information with any other parties or organizations except as specifically noted in the preceding paragraph.

SEAA may change this policy from time to time, as necessary to reflect changes in business or security practices. Any changes to the privacy policy or this document will be posted to our website.

We encourage any participants concerned about their security to also view the privacy statements of our selected vendors:
