SEAA VIRTUAL 2020
Monday, June 15th & Tuesday, June 16th

Important Information for Participating in SEAA Virtual 2020

- Register for the conference by CLICKING HERE.
- Access the SEAA Virtual Sessions either through the Virtual Sessions Website or the SEAA Virtual App, and log in using your credentials sent to you in your registration confirmation email.
- **You must log in to enter the website or App!** If you have misplaced this email, please contact registration@southeastacquirers.com.
- Test your log in to make sure you can access the website or App before 1:00pm EST on Monday.
- Once logged into the website or App, you can review the Agenda, Sponsors, Speakers, Attendees, and more.
- In order to select the sessions you would like to attend, click on the “Agenda” tab and select the star next to the session(s). Any sessions you select will be added to the “My Agenda” tab. You can then add these to your calendar as well.
- All sessions will take place on Eastern Standard Time (EST).
- Just prior to the session(s) starting that you plan to attend, make sure you are logged into the website or App and click on the session name once it is time for the session to begin.
- Demo Day will consist of 9 companies that will demonstrate their newest products in four concurrent sessions, with 2 sessions on Monday, 2 on Tuesday. On the website or App, you can choose to join one of the demonstrations per session by clicking on the star as mentioned above.
- If you have questions for the Presenter(s), you can type your question in the Q&A section.
- You can send instant messages to Attendees or schedule virtual meetings. The private virtual meetings can take place between June 15, 2020 – May 22, 2021, but not within the hours of the Virtual Session on June 15 and 16.
- Lastly, please be sure to review the details under “Attending a Virtual Meeting” to help provide you with the best viewing experience.
